

MONDAY, APRIL 21, 2008 AT 4 PM  
UNIVERSITY CENTER  
CAL STATE UNIVERSITY, MONTEREY BAY

ANNUAL SYMPOSIUM ON  
**EARTH'S ENVIRONMENTAL CRISIS & THE FATE OF HUMANITY**

# OCEAN SOLUTIONS

**J**oin us for an interdisciplinary dialogue exploring the ways environmental change threaten the ocean and impact society. Keynote speaker Meg Caldwell, director of the Center for Ocean Solutions, will discuss the relationship between natural resources law and policy relating to marine sanctuaries, environmental threats, and interdisciplinary solutions.

Co-sponsored by Social & Behavioral Sciences at CSU Monterey Bay, AMBAG & NOAA.

For information visit **CSUMB.EDU/climate** or call Dr. Armando Arias at 831.582.3578.
