

Annual List of
Federally Obligated Projects
For FFY 2007/08

(Monterey Bay Metropolitan Region)
February 2009
Association of Monterey Bay Area Governments
(A M B A G)

Purpose:

The Safe, Accountable, Flexible, Efficient, Transportation Equity Act: A Legacy for Users (SAFETEA-LU), requires that the Metropolitan Planning Organization (MPO) publish Annual List of Federally-Obligated Projects. Specifically:

An Annual Listing of projects (including investments in pedestrian walkways and bicycle transportation facilities) for which Federal funds (under 23 U.S.C. or 49 U.S.C. Chapter 53) have been obligated in the preceding programming year shall be published or otherwise made available by the cooperative effort of the State, transit operator, and metropolitan planning organization for public review. This listing shall be consistent with the funding categories identified in each Metropolitan Transportation Improvement Program (MTIP).

This report fulfills this requirement by listing all federally-funded transportation projects in three-county Monterey Bay Metropolitan Region (AMBAG) that were obligated during the federal fiscal year 2007/08. Obligation refers to the federal government's commitment to pay or reimburse the lead agency for the federal share of a projects' cost. Obligation does not indicate expenditure or project completion; only that the project has been approved for federal reimbursement.

Annual List of Obligation Report for FFY 2007/08:

This report is divided between Federal Transit Administration (FTA) and Federal Highway Administration (FHWA) funding programs. Within each agency grouping, the obligations are listed by the different funding programs.

The obligation information for FHWA-funded programs was provided by the California Department of Transportation while the obligation information for FTA-funded programs was derived from the transit providers (Monterey Salinas Transit, Santa Cruz County METRO and San Benito COG) and/or respective implementing agencies. Please note that, AMBAG only participates in the obligation of CMAQ planning funds and demo funds for the Monterey Bay National Marine Sanctuary Trail project. This list includes only federal obligations, no state or local funds are reported.
