ABOUT AMBAG

The Association of Monterey Bay Area Governments (AMBAG) is a voluntary association of 18 cities and 3 counties in California's Central Coast region, encompassing 5,767 square miles and a population of 744,820. The Association was formed in 1968 by an agreement between the cities and counties to serve as a forum for discussing and making recommendations on issues of regional significance.

AMBAG's Board of Directors is composed of elected officials, appointed by their respective City Council or Board of Supervisors. Each member city has one representative on the Board, while each county has two. The Board meets monthly to set policy and to oversee the functioning of a small professional staff.

Since its formation, AMBAG has confronted regional issues on a cooperative, unified basis between its members and other governments. AMBAG is the designated Metropolitan Planning Organization (MPO) for Monterey, San Benito, and Santa Cruz counties. As the MPO, AMBAG is responsible for metropolitan transportation for the tri-county region. AMBAG facilitates and coordinates the programming and budgeting of all transportation planning to meet identified needs.

Preservation of the area's natural assets continues to be a strong desire for AMBAG members along with concern for the area's economy and growth.

AMBAG welcomes inquiries about its work and goals. Anyone interested in learning more about AMBAG or becoming involved in its programs should contact the AMBAG office.

Navy

The **Naval Postgraduate School** is the U.S. Navy's corporate university offering Masters and Ph.D. programs in engineering, science, technology, defense management and national security. Officers from all branches of service and more than 45 countries currently study at the Monterey campus. The institution houses state-of-the-art research facilities to support faculty and student research. NPS also provides executive education and distance learning programs for military officers and defense officials from around the world at every stage in their careers.

TRANSPORTATION, DEPARTMENT OF:

Coast Guard – Homeland Security

Coast Guard Station Monterey is primarily involved with maritime law enforcement and search and rescue along the California Coast. The 50 men and women assigned to the Station operate four small boats. Station Monterey also operates a Station in Santa Cruz Harbor on weekends, during the summer boating season and during surge requirements. Aircraft from San Francisco and Sacramento also serve the Monterey Bay region. *The Coast Guard, unlike other branches of the military, is under the Department of Homeland Security in peacetime.*
